

FIRST AND SECOND GRADERS GET POLIO SHOTS

Collectors Set Up Shop
-Tax Time Here Again

Tax collections are about to begin in Frankfort, New Lenox and Green Garden townships, with some \$580,000 to be collected in the three places.

The town collectors have received their books from County Treasurer Floyd Krapf and have mailed out bills to the property owners.

In Frankfort township Collector Burnett Schramm has two collecting points, his barbershop at Frankfort, and the Cooper - Hostert garage at Mokena, for the convenience of taxpayers.

He will collect at Mokena on May 4, 14, 18 and 28. He will collect at Frankfort on May 7, 11, 21, 25 and 31.

The total amount due in taxes in Frankfort township on lots, lands and personal property, the collector's books show, is \$261,434.17, which amount includes \$3,610 in delinquent taxes and \$2,408 in interest and penalties due on those unpaid bills.

In New Lenox township, Collector Edward A. Osmus, will follow the same plan that he has in the past and receive payments daily at his home - 419 N. Cedar road, in the village of New Lenox. He will begin making collections May 1 and continue thru May 31.

The amount of taxes to be collected in New Lenox township this year, the books of Collector Osmus show, is \$232,278, which sum includes \$2,196 delinquent taxes and \$1,148 interest and penalties due on these back bills.

Walter Bauer, town collector for Green Garden, will make his collections at the Frankfort State bank on the following dates: April 30, May 7, 14, 21, 28 and 31.

The amount to collect as set forth in the books for Green Garden township is approximately \$87,000.

Town collectors will function until June 1, at which time they will turn their books back to the county treasurer's office and after June 1, all taxes will be collected at the treasurer's office in the courthouse at Joliet.

June 1 is the deadline for the payment of taxes in Will county. After that date they become delinquent and carry interest and penalty charges.

Personal property taxes must be paid in full by June 1, if they are not to become delinquent.

Real estate taxes may be paid in two installments - the first due by June 1, and the second by Sept. 1.

Then in October the real estate on which taxes have not been paid is put up for sale.

New Lenox Man
Wins Promotion
In Power Firm

Melford D. Taylor, Joliet has been named assistant district superintendent in this area for Public Service Co. It was announced today by George G. Bailey, division vice president.

At the same time two other Joliet area residents received new supervisory appointments with the utility. Glenn G. Boyd, Joliet st., was named superintendent of the company's Stratford district, while Joseph L. Gustat, North Cedar road, New Lenox succeeds Boyd as acting superintendent of the Pontiac district.

Taylor joined Public Service Co. in 1941, shortly after his graduation from the University of Illinois. During most of his 14 years with the utility he has been engaged in sales department activities as an agricultural engineer.

Boyd, who celebrated his 25th anniversary with the utility last September, served in the company's sales department for approximately 18 years before becoming acting district superintendent of Pontiac last year. He joined the company at Chicago in 1928 following his graduation from Louisiana State University.

A graduate of Joliet Junior college, Gustat has been with the utility since 1927. He transferred to the company's headquarters in Joliet in 1934 following earlier service in the statistical department at Chicago. Engaged in various sales department activities for more than 17 years, he has been a street lighting engineer since 1946.

CARD PARTY

The Auxiliary to the William Martin VFW post at Mokena will sponsor a card party in their hall on Wolf road this Saturday, April 30 at 8:30 p.m. Hostesses will be the Mesdames Josephine Benson, Lydia Muller, Mildred McMillan and Anita Harr.

PRE-SCHOOL
CHILDREN WILL
REPORT MAY 6

Mokena parents of children who will enter public schools next September have received invitations from Mrs. Elizabeth Appel, principal, to send or bring the youngsters to the primary room a week from tomorrow, May 6, which is annual step-day.

By coming to school May 6, these children will have an opportunity to meet the teacher as well as future classmates, it was pointed out.

"At this meeting," Mrs. Appel said, "we hope to help solve the many problems that confront parents of beginning pupils and answer questions parents may wish to ask."

"The first day of school next fall will not be difficult if the child has met the teacher and has seen the school room and the building."

The primary grade is in the Methodist church and that is where the pre-school youngsters will come on May 6.

Only children who are or will be six years old by Dec. 1, 1955, are eligible to enter school next September.

L-W Math Students
Take National Test

Thursday morning, April 21, fifteen Lincoln-Way high school students took an 80 minute mathematics examination. The test was sponsored by the Metropolitan New York Section of the Mathematics Association of America.

The top three papers will be entered in state and national competition. The highest score was made by Elroy Erdmann, with Henry Clark second, and James Cooper, third. Elroy will receive a pin bearing the seal of the Mathematics Association of America.

The test, proctored by Mrs. Hussey, was given to the following students: Diane Batson, Gregory Brown, Harold Carter, Henry Clark, Marilyn Cooper, James Cooper, George Dath, Elroy Erdmann, Rudy Gurik, Yvonne Koerner, Paul Landahl, Dale McMahon, Bruce Miller, John Weber and Dennis Wheeler.

Fifth Graders Of
Mokena School Busy
Painting Mural

A class meeting of the eighth grade, Mokena public school, was held April 22 to appoint various committees for the coming spring events. Committees were appointed for the class song, his tory, prophecy and mural.

The mural on which the boys are working is slowly taking shape. For a few weeks it remained a mystery as to what actually was taking place on the bulletin board, but as time passed, the students saw things being added until now they have gotten a fair idea of the scene to be presented when the mural is completed. When the mural is finished, an invitation will be extended to all who wish to view it.

GAME NIGHT

Everyone is invited to attend Game Night, Friday, April 29, at VFW hall, Mokena. Fun starts at 8 p.m. The affair is being sponsored by the VFW and Amvets.

PAGEANT OF PROGRESS QUEEN
CONTEST GETS SCHOOL HEAD'S OK

County Superintendent Verne E. Crackel has again endorsed the queen contest for the Joliet Pageant of Progress.

Each high school in the county is asked to participate in selecting a senior girl as a candidate for the queen contest. The method of selection is left to each school, but it is suggested that both students and faculty participate in the selection.

In addition, each principal or senior class adviser is asked to submit, on behalf of the candidate, an 8x10 black and white photograph and a statement of one thousand words or less concerning the candidate in terms of certain criteria described below.

The selection of the queen for

Frankfort Man
To Direct Noted
Chorus in Concert

Arthur Lambrecht, Frankfort, will conduct the seventh annual Chicago Heights Kiwanis chorus concert on Friday and Saturday, May 6 and 7 at 8:15 p.m. in the Washington school auditorium.

Arthur Lambrecht

Chicago Heights. Tickets will be available at the door.

The chorus, which has appeared on nation wide radio net works and many national conventions of Kiwanis International, has a large following and attracts enthusiastic audiences at all of its concerts and programs. Their part in the homecoming at Frankfort last summer was one of the highlights of the event.

Guest artists are Paul Tryon, director of music in Joliet elementary schools, and Mrs. Tryon, on the staff at Lincoln Way high school. "Sweethearts of Song," the couple will sing duets from light operas and musical comedies.

Miss Lillian Collins, accompanist, will round out the program with appealing organ selections. An accomplished musician, Miss Collins is a teacher of piano and organ and is a colleague in the American Guild of Organists.

Mr. Lambrecht, director of music at the Glenwood School for Boys, Glenwood, is director of the choir of the First Methodist church, Chicago Heights, and First Reformed church, South Holland. He also rehearses the choir of St. Peter's church in Frankfort.

Mokena Lions To
Elect New Officers

Next meeting of the Lions club of Mokena will be held on Thursday, May 5, at the Lincolnwood Drive-In restaurant. Dinner will be served at 7 p.m. promptly. The only item of business will be the election of officers.

The program committee has arranged that the club attend the concert to be given in the Mokena public school at 8:15 the first week in May is national music week and Lion Glenn Miers, music instructor in the school is presenting his youngsters in a concert in recognition of this event.

The report of the nominating committee was adopted unanimously with no additional nominations from the floor. The slate is: president, Ray Westlund; 1st vice president, Walt Spiewak; 2nd vice president, Henry Shevlin; 3rd vice president, George Bills; secretary, Fred Lehmann; treasurer, Jim Wrath; lion tamer, Bert Janner; tail twister, Everett Cooper; director, Arthur Omland; holdover directors: John Scarth and Lyman Teague.

A moderate decrease in automobile accidents was reported in 1954.

MOKENA GRADE
CHOIR TO GIVE
CONCERT MAY 5

The Mokena Grade School choir, under the direction of Glenn L. Miers, is to present its first annual spring concert next Thursday night, May 5, in the school auditorium. The program is to begin at 8:15 o'clock.

The choir is made up of 30 pupils from the sixth, seventh and eighth grades. Sandra Swinford is the accompanist.

The director, Mr. Miers, who teaches the eighth grade and also is music instructor for pupils from the sixth grade up, is completing his first year at the Mokena school. He came here from Harford, Pa.

The program to be presented next Thursday night is quite diversified and is arranged in five groups of three numbers each: "It's a Grand Night For Singing," "Kentucky Babe," "Great Day," "Falling in Love With Love," "I'll Be Seeing You," "Dry Bones," "Hospodi Pomoloi," "Were You There?" "The Lord's Prayer," "Oklahoma," "I Got Plenty O' Nuttin'," "Rock-a Ma Soul," "The Sleigh," "Ezekiel Saw De Wheel," "You'll Never Walk Alone."

There is no admission charge but a free will offering will be taken.

Philip Howell Wed
To Mary Vaughan in
Double Ring Rites

Philip Howell, Airman 3-c, son of Mr. and Mrs. Ralph Howell, of Mokena, was married to Miss Mary Vaughan, daughter of Mr. and Mrs. Ray Vaughan, of Lincoln Estates, Saturday at 7 p.m. in the parsonage of the Park View Baptist church, Mokena. Rev. Arthur Contois, pastor of the church officiated at the double ring ceremony.

The bride, who was attended by her cousin, Carol Klusmeyer, of Beloit Wis., was lovely in a pink suit with white accessories. She wore a white carnation corsage.

The groom was attended by Larry Harris of Mokena.

After the ceremony a reception for immediate members of the family. Forty two guests were present. A three tiered wedding cake was cut and served by Mrs. Hazel Vaughan, wife of Philip's uncle, Mr. Hazel Vaughan, of Lincoln Estates, assisted by Mrs. Contois.

Following the reception, the young couple left for a few days motor trip in the South where they will visit with the groom's grandparents. When they return, Philip will leave for a new station at Cheyenne, Wyo. His wife expects to follow him as soon as living quarters can be obtained.

The bride is employed by the Hanover Insurance Co. of Chicago.

Hold Reception For
Couple Married
At New Orleans

A wedding reception for Mr. and Mrs. Donald Oetter who were married at New Orleans, April 16 at a church ceremony, was held in St. Peter's church hall at Frankfort last Sunday, April 24.

Mr. Oetter is the son of Mr. and Mrs. Conrad Oetter of Frankfort. He was married to Miss Rena Barcelona of New Orleans and the couple left after the ceremony on a wedding trip that took them to Niagara Falls. They stopped at Frankfort on their return to New Orleans where they will make their home.

The reception given for the bridal couple was attended by 85 relatives and friends, among whom were several out of town guests.

A three tier wedding cake was on a table covered with a linen cloth, with a centerpiece of pink and white tulips and lilies of the valley.

The cake was cut by the maker, Mrs. Arthur Ward of Dwight. Mrs. Donald Carroll presided at the punch bowl and Mrs. Kenneth Oetter at the silver coffee urn.

The honored couple received many lovely gifts.

Park View Baptist
Church To Give
Banquet, VFW Hall

A special musical program will be presented at the first mother-daughter banquet to be held next Tuesday evening, May 3, at the VFW hall in Mokena, under the auspices of the Park View Baptist church. The banquet is scheduled for 6:45 p.m.

An enjoyable evening is in store for all who attend this banquet. For reservations phone Mrs.

Juanita Brueser Wed
To Charles Manhart
In Candlelight Rite

Last Saturday at a 7:30 p.m. candlelight ceremony at St. John's Evangelical and Reformed church, Mokena, Miss Juanita Brueser, daughter of Mr. and Mrs. Edward Brueser, of Woodland circle, Mokena, and Mr. Charles Manhart, son of Mr. and Mrs. Darrell Manhart, of Rossville, Ill., were united in marriage. Rev. William Riemann officiated.

The church was decorated with bouquets of white gladioli, snap dragons and cherry blossoms. Mrs. Alma McKeever was at the organ. Richard Gillette sang the Lord's Prayer and O. Promise Me.

Maid of honor was Miss Jeanne Kathen, of Joliet, a friend of the bride, who, on April 19, gave a personal shower for Miss Brueser at the Sharon Boyer home in Joliet. Best man was Donald Smith, of Indianapolis, a friend of the groom.

The bride, who was escorted by her father, wore a floor length princess style dress of broad satin made by her mother, with empire bodice, V neckline and long pointed sleeves. She wore an elbow length veil with a crown of pearls and lace taken from a childhood dress, and her mother's gold and silver jewelry.

The groom wore a tuxedo with a carnation boutonniere. Between the pages of the Bible was the wedding handkerchief of the groom's grandmother, the late Mrs. O'Leary.

The maid of honor wore a waltz length dress of deep rose taffeta, conforming in line to the bride's dress. She carried a hoop covered with huckleberry leaves and white carnations. Her headpiece was a bandana with white flowers.

Ralph Yunker of Mokena and the bride's brother, Robert Brueser, were the ushers.

The bride's mother wore a steel blue dress with pink accessories, and the groom's mother wore a navy suit. Both had corsages of pink roses.

One hundred and sixty five persons attended the reception, which was held in the church parlors.

Mrs. Dallas Webster, of Tinley Park, and Mrs. Henry Clark of Mokena, supervised at the bride's table. Mrs. Charles Stanhope of Evanston, presided at the coffee urn, and Miss Sharon Boyer of Joliet, served punch.

Mrs. Vernon Lankau was in charge of the guest book, with gifts in care of Mrs. Donald Smith of Indianapolis.

Out of town guests were from Chicago, Evanston, Elmwood Park, River Grove, Oak Park, Rossville, Palestine, Lockport, Joliet, Tinley Park, South Bend Ind. and Indianapolis.

The young couple left for a short motor trip, and after May 1 will be at home at 222 North Eastern ave., Joliet.

The groom is employed by the Revere Copper and Brass Co. of Lockport, and the bride at the Junior College office in Joliet.

SUPERVISORS
RE-ELECT BALTZ

Supervisor Meade Baltz of Joliet has been re-elected chairman of the Will county board of supervisors.

The action was taken at the annual meeting of the board following the town elections.

Fifteen of them being incumbents and five are newcomers.

The newcomers are Joseph Cornolo, assistant supervisor from Lockport; Robert Weidling from Wilmington, Roy Croxon of Peotone, Gus Steen, of Wilton, and Earl Bell of Wesley. Bell has served on the board previously.

There was no doubt as to the outcome of the vote on the chairmanship. Of the 43 members of the board, 38 are Republicans and at a caucus held by the Republican members last Saturday, Baltz was picked for re-election.

Baltz has been chairman of the board since the autumn of 1953 when he was named to succeed the late Fred Francis of New Lenox.

Recommendation of the county zoning board of appeals approving the request of Ray Mankowski for permission to operate a package liquor store, has been approved. Mankowski plans to operate such a store on route 30, half a mile west of the Cook county line in Frankfort township.

The case involving the zoning of a piece of property in New Lenox for a gasoline station is still held under advisement by the board.

Daisy Ball, Frankfort 4272, Mrs. Connie Runia, Mokena 4411, or Mrs. Arthur Contois, Mokena 5124.

This is Joyce
Calling Jerry

5-year-old Joyce Mattsen of 130 E. 1st st., Mokena, has a problem on which she is seeking aid - but here is the story, in her own words:

"My kitty maybe is visiting at your house. Will you please let me know so I can get him back. He is gray and part angora, and his name is Jerry. I miss him very much."

WOMAN'S CLUB
SELLS DOLLS

The Frankfort Woman's club is principally occupied now with projects relating to the village centennial program.

At its last meeting which was held in the village hall with Mrs. Stanley Johnson presiding, it was announced that the sale of dolls, for doll collections, is to begin in May. The centennial lapel dolls were placed on sale last week end in the various stores and business places.

Then followed a discussion on quite an important point - the kind of bonnets the women will wear during the celebration of the village's 100th anniversary.

The club also elected officers for the ensuing year. Mrs. Al Hochberger was elected vice president and Mrs. Lewis Ebert, secretary.

Mrs. Irving Rudman showed pictures of Korea.

Hostesses were Mrs. W. V. Hedges, Mrs. Howard Osmus, Mrs. Ralph Thoresen, Mrs. Henry Breidert and Miss Lois Bettenhausen.

L-W Instructors To
Judge Projects At
Carbondale May 6, 7

Charles F. Ellermann, biology instructor, and H. Neil Hardy, chairman of the science and mathematics department at a Lincoln-Way community high school, have been asked to judge student projects at the state meeting of the Illinois Junior Academy of Science which meets in Carbondale May 6 and 7.

Some 400 winning projects from the district meetings are taken to the state meeting at Carbondale. Mr. Ellermann will be judging projects in the field of biology and Mr. Hardy will judge photography projects.

They will attend divisional meetings of the Illinois Senior academy which meets at the same time. The Illinois Senior and Junior academies of Science are among the oldest and most active in the nation.

Mokena Girl On
Honors List At
State University

A Mokena girl, Jean Cooper, daughter of Mr. and Mrs. Everett Cooper, is among the 2,200 top scholars in the University of Illinois who are to be honored tomorrow, April 29 at the annual Honors Day convocation at Urbana-Champaign.

The convocation is set for 1:15 tomorrow afternoon in the university auditorium. Prof. Arthur S. Colby of the college of agriculture, is to be the speaker. His topic will be "The Inquiring Mind and the Seeing Eye." President Lloyd Morey is to preside.

The ceremonies are to be broadcast by WILL, the university's broadcasting station.

Later tomorrow afternoon the annual armed forces review and honors presentation of the university Reserve Officers Training Corps will be held.

Actions taken at the regular April meeting were the adoption of the constitution and by-laws; election of officers; acceptance of chairman Bill Heidrich's ways and means report showing a net income of \$55.70 from the bake sale and \$200 from the Martin Sisters program; authorization to install lights at the entrance to the school property, and adoption of a student employment service and consideration to be given the proposal. The program for the evening

Orchard Hill
Kindergarten To
Hold Open House

Spring is bursting forth at Orchard Hill farm kindergarten with nature walks and seed-growing projects for the children and an activity for the parents too. On Thursday and Friday nights this week they were invited to see colored movies, in which they saw their children starred in kindergarten activities during the past year. In the workbook there was a graphic showing of development—a comparison between drawings made the first month of school and drawings made now. Later, over coffee and cake, the parents had a chance to chat with the teachers of this unique farm school—Mrs. Donald Boston, Mrs. Vincent VanSlyke and Mrs. Dick Wille, Jr., of Tinley Park, and Mrs. Norman Lugar of Markham. Mrs. Leslie Johnson is the director of the farm school at 167th and Cicero.

Wednesday of this week there was the annual trip to Midway airport, to visit a four motor air liner, culminating with lunch in the famous Cloud Room. Captain Allan Ebell of Tinley Park, a pilot for Capital Airlines, helped to arrange this intensely interesting trip.

Next month the youngsters will see a boat from Holland or Sweden at Calumet harbor. One Saturday in May the old school bell will ring for fathers. On Dads' day the youngsters will introduce their daddies to the intricacies of life in kindergarten. Fathers will learn many skills that day, not the least of them how to draw Belinda, the cow.

This year there are more early registrations than ever, it was reported, as the school's creative program becomes better known and as the need increases for kindergarten training of the larger than ever five year old group. Orchard Hill is opening its doors the first two weeks in May to interested parents and children who would like to see this unique school in session. Mothers may obtain information about open house by phoning Mrs. Johnson at KElogg 2-4113.

Approximately 65 first and second grade children received the anti-polio shots in Frankfort where four schools were involved—the Frankfort public school, Gatter school, Ann Rutledge, and the Hinspeter school. Dr. Claude Otto administered the vaccine, assisted by Mrs. Emmet of the Will County health department. Volunteer helpers were Mrs. Claude Otto, Mrs. Ralph Steele and Mrs. Leroy Hansen.

Mother-Daughter
Banquet At Green
Garden, Frankfort

Mrs. Robert Shepard of Lockport will be the speaker at the annual mother-daughter banquet to be given in the Green Garden Methodist church Tuesday evening May 3 starting at 6:30 p.m.

The Womens Society of Christian Service of the Frankfort Methodist church will sponsor their annual mother-daughter banquet in the church Tuesday evening, May 10. Reservations should be made with Mrs. Lilly Herschback, Tel. 2571, Mrs. Marie Bettenhausen, 4442 or Mrs. Blanche Mitchell, 3551, before May 5.

SORNY'S ADDS LINE
OF BAKERY GOODS

Starting last Sunday, Sorny's confectionery store, on Front St. Mokena, added a fine line of bakery goods, which is delivered to the store fresh daily, with the exception of Wednesdays. Oven fresh taste treats, in wide variety, are now available at this store.

At the Mokena public school Wednesday morning 102 children were inoculated, this number including first and second grade pupils of the Mokena public school, St. Mary's parochial school, and the Summit rural school. Dr. Claude Otto of Mokena, administered the vaccine. They were assisted by Nurse Betty Korn from the Will county health department, Mrs. Huel Neithammer, nurse, Mrs. Wesley Cappel and Mrs. Elizabeth Cappel, principal of Mokena public school.

Children who missed getting the anti-polio shots, for any reason, will not be able to make them up. They have lost their chance, except, of course, thru the services of the family doctor, who may have a supply of the Salk vaccine on hand.

The second anti-polio inoculation is scheduled for three weeks from now, Tuesday, May 17. The third, or "booster" shot, it is expected will be given six or seven months from this time.

President, Mrs. Herbert Folkers, Frankfort; first vice president, Wm. Heidrich, New Lenox; second vice president, Mrs. Eleanor Mundt, Manhattan, secretary, Mrs. Harold Weber, New Lenox; treasurer, Mrs. Alice Schwab, Lincoln Estates. Representatives: Mrs. Robert De Dorset, Mokena; Mrs. Harry White, Manhattan; Mrs. Eldon Long, New Lenox; Mrs. A. Hochberger, Frankfort; Mrs. Lillian Schofield, Lincoln Estates; and Mrs. Della Hussy, faculty.

for civil defense planning and
provide first hand information
for civil defense personnel.

KING'S Kolumn
STATE CAPITAL REPORT
by Rep. JOHN M. KING

By Representative John M. King
Measures that would permit
18 year olds to vote and would
provide for school training for
mentally handicapped children
were advanced in the house of
representatives last week and a
senate committee's televised
hearing on county law enforce-
ment bills met strong opposition
from a Cook county official.

A resolution to put the ques-
tion of the 18 year old vote up
to the people at the next elec-
tion was favorably reported by
the house executive committee.
The proposal now will be con-
sidered by the entire member-
ship of the house.

Those favoring this legislation
consider a man old enough to
fight is old enough to vote. Op-
ponents say that physical ability
to carry a gun does not neces-
sarily indicate the mental ma-
turity to vote intelligently. If
the resolution passes the people
can decide.

A bill for special education for
mentally handicapped children,
already approved by the educa-
tion committee, was advanced to
the amendment stage in the
house.

It provides that school boards
may establish special facilities
for mentally handicapped chil-
dren between the ages of 5 and
18 who are incapable of being
educated properly by ordinary
classroom instruction. The state
would pay part of the costs of
this program.

As with all bills, this one must
be approved by a house com-
mittee, be advanced through dif-
ferent stages and then be passed
by the house before it is sent to
the senate for the same treat-
ment. If both branches pass the
bill it becomes law after approval
by the governor.

A series of Senate bills to au-
thorize the Illinois attorney gen-
eral to conduct prosecution in a
county without the consent of
the state's attorney met heated
opposition by the Cook county
state's attorney in two televised
judicial committee hearings last
week. Testimony concerning the
crime commission was intro-
duced.

ed and that body's records will
be examined next.

An interesting sidelight to this
hearing is that it marked the
first time live television has been
permitted on the senate floor.
For technical reasons the full
lighting facilities of the senate
chambers were switched on in-
cluding some rarely used deco-
rative chandeliers.

In other action last week bills
were introduced to legalize the
use of your auto horn except in
cases of emergency and to es-
tablish the results of blood tests
as admissible evidence in patern-
ity cases.

I sponsored a bill to exempt
school treasurers from personal
liability for school funds as long
as they comply with the law in
handling and depositing this
money.

Flower lovers will watch the
fate of a measure to change the
official state flower of Illinois
to the rose instead of the native
violet.

Over on the senate side the
bill that would change our pri-
mary voting date from April to
June was passed. It now will be
sent to the house.

The senate public welfare com-
mittee has approved a proposal
for the creation and maintenance
of a cancer research hospital in
Chicago. The bill carries an ap-
propriation of six and a quarter
million dollars and provides that
the University of Illinois would
manage the hospital.

GREEN GARDEN
Mrs. Katharine Heisner
Frankfort 4902

The Green Garden Snip 'N
Snack 4H club met April 23 in
the town hall. The following
important dates were announced
for 4H Sunday and gave the
Fitzgerald's Furniture store, Ap-
ril 27; Meat, poultry and fish
workshop April 30; 4H Sunday,
May 1 at 8 pm. in North Peotone
church; Family night May 7;
Flower arrangement workshop,
May 7; Camp Shaw waw saw see
July 5-9, camp fee of \$13.25 to
be paid by May 10. Leader Mab-
le Krapf reviewed the service
for 4H Sunday and gave the
parts for the play of "Granny's
Rose" which will be given at the
service. The club will send Rita
Toepper and Beverly Torok to
camp by paying half their fees.
The club has planned to tour the
Art Institute, Mabel's florists,
a wholesale dry goods depart-
ment store in Chicago and have
dinner at Carson Pirie Scott
sometime in June.

Committee on arrangements
are Ruth Stassen, Bernadette
Balow and Lois Wilke. Talks
were given on picture study by
Carolyn Patz, Carol Ullrich,
Jean Kurima, Patsy Torok, Ruth
Stassen, Marlene Schwiesow,
Bette Stassen, Phyllis Rosendahl,
Anna Lehnert, Joanna Schudt,
Beverly Torok and Wilma
Schudt. They created a flow-
er arrangement signifying
"Pledge to the 4H flag." The
next meeting will be May 28 and
will be a study of the club's
electrical activities. Marlene
Schwiesow, reporter.

Mr. and Mrs. Wm. E. Betten-
hausen who purchased the Dan
Laufer farm and moved there
March 1, were honored by their
neighbors giving them a house
warming Saturday evening. Also
present were her mother Mrs.
Josephine Lahti and his parents
Mr. and Mrs. Emil Bettenhausen
all of Tinley Park. Following a
social evening refreshments
were served. The group gave
them a purse.

**'LITTERBUGS'
DRAW BLAST**

Chas. M. Hayes, president of
the Chivafio Motor club, today
appealed to motorists for cooper-
ation with clean-up week cam-
paigns now in progress.

"While traveling in your car
don't be a litterbug," Hayes told
motorists. "Many motoring lanes
and favorite recreation spots are
marked by heaps of rubbish and
trash left by a few thoughtless
persons. A handful of litterbugs
is giving all travelers an unde-
sirable reputation.

The club president warned mo-
torists not to throw refuse out of
a moving vehicle. If occupants of
a car are having a snack while
moving along he suggested that
they carry the food remnants
along with them until the next
stop. There the food left-overs
can be deposited in a rubbish can.

On picnics, in wooded areas
or while resting at a road site
motorists should dispose of wrap-
pings and bits of food by plac-
ing them in containers provided
for that purpose.

Litterbugs who leave a trail
of paper, boxes, bottles and food
remnants along a highway are
thoughtless and inconsiderate,
Hayes concluded. Not only do
they demonstrate to others that
they are poor housekeepers but
they subject fellow travelers and
their children to hazards which
can result in physical injury.

If you drive through standing
water on a road, make sure your
brakes still work by testing them
on the next dry section of high-
way, and you'll have brakes
when you need them.

Recoverable coal reserves in
the State of Indiana, usually
thought of as a corn and hog
state, are 17,600,000,000 tons,
enough to permit mining of
17,000,000 tons a year for the
next 1,113 years.

**WASHINGTON AND
"SMALL BUSINESS"
By C. WILSON HARDER**

Readers ask, "Just how real is
international conspiracy threat?
Is situation over-magnified?"

Unfortunately, situation is ex-
tremely critical.

Kremlin is considered head-
quarters of international con-
spiracy against U.S.; however
Kremlin is but headquarters
of known enemy.

Equally dan-
gerous is un-
seen enemy
headquartered
in all world's
capitals includ-
ing Washing-
ton. Like com-
munist ambition, this con-
spiracy aims at destruction of U.S.

Over 20 years ago Douglas
MacArthur stated U.S. is a vast
storehouse any nation would like
to plunder. Many feel it tragic
talents of this outstanding pa-
triot-realist are now unused.

As previously reported, nation-
wide membership of National
Federation of Independent Busi-
ness recently voted 3 to 1 favor-
ing law requiring all treaties and
foreign agreements be approved
by both Senate and House.

This sentiment even exceeds
that incorporated in Bricker
Amendment before Congress
again. Last year, despite fact
85 Senators co-sponsored Bricker
Amendment, it was defeated by
White House pressure via under-
ground strategy of parliament-
ary procedure.

Few people realize Article VI
of U.S. Constitution provides any
treaty becomes law of the land,
superceding even state or local
law.

In April, 1952, John Foster
Dulles warned, "Congressional
National Federation of Independent Business

laws are invalid if they do not
conform to the Constitution,
whereas treaty law can override
the Constitution. Treaties, for
example, can take powers away
from Congress and give them to
the President; they can take
powers from the States and give
them to the Federal government
or to some international body;
and they can cut across the
rights given the people by the
Constitutional Bill of Rights."

Since then Dulles became Sec-
retary of State and has failed to
further sound tocsin.

It is also significant courts
have held secret agreements
such as Yalta and Potsdam have
full effect of treaties, even
though not ratified by Senate.

Yet in March of last year
United Nations Human Rights
Convention voted not to recog-
nize as a fundamental human
right the right to own property.
Various divisions of UN such as
International Labor Organization
have drafted some 200 treat-
ies which would rob U.S. citi-
zens of freedom of speech, press,
education, of private enterprise,
other Constitutional guarantees.

Thus socialistic schemers par-
ading under banners of World
Federalist, Atlantic Unionists,
One Worlders, other titles, pose
threat more insidious to U.S.
than Kremlin, whose intentions
are known. This other group of
international conspirators can
win without firing a shot.

This explains forthcoming Con-
gressional battle to pass Bricker
amendment or legislation along
lines voted by nation's indepen-
dent businessmen. The objective
will be to insure that never again
can a small group in the execu-
tive branch of government sign
away nation's hard won free-
doms. The outcome of this battle
will be every bit as decisive as
was the battle of Yorktown.

\$40 to Save Lives

BEFORE **8 accidents**

AFTER **NO accidents**

Seeking new and inexpensive ways to reduce mounting traffic
fatalities, authorities are marking hazards that contribute to night-
time accidents with reflective material. Typical is this treatment of a
Detroit bridge abutment. Sixteen persons were injured in 24 months
when their cars crashed into the almost invisible center abutment at
night. Traffic engineers painted black and white stripes on the en-
center pillar and painted yellow and white centerlines on the roadway
so they curved around the center post. The improvements, which cost
only \$40, increased nighttime visibility of the dangerous abutment
so much that in the first seven months since the changes, there have
been no accidents.

U. S. SAVINGS BONDS
Will county residents purchas-
ed a total of \$ 674,504 in Series
E and H United States Savings
Bonds in March 1955 according
to figures received from the
treasury department by Andrew
Barber of Joliet, general savings
bonds county chairman.

The state of Illinois reports
sales for the month of \$51,444-
339, which is an increase of 10%
over sales in the state for March
1954.

YOU CAN FIX IT

Chair Wobble
If the tenon of a chair leg or
rung has become so shrunk or worn
that there is no way to make glue
hold it in place, you can use a
screw to get a tight connection.
Select a flat-headed screw of
small shank diameter, long enough
to go well into the part it is to
hold. With a brace and bit, drill a
hole for the screw. The diameter
should be slightly smaller than the
diameter of the screw's smooth
shank. Depth of the hole should be
a quarter inch less than the length
of the screw.
Use another bit with a diameter
a little greater than that of the
screw head, to enlarge the hole to
a depth of about 1/8 of an inch.
Countersink the screw head in this
enlarged hole. Then fill the hole
slightly over-full with Plastic
Wood. When the Plastic Wood has
dried and hardened, sand it down.
If the chair is painted, touch up
the Plastic Wood with paint to
match. Otherwise, you can either
buy colored Plastic Wood to match,
or you can stain the natural Plastic
Wood, using colored waterproof
drawing inks that can be bought at
art supplies stores.
By mixing brown, yellow, and
red inks in different proportions a
wide variety of wood colors and
shades can be obtained. Apply sev-
eral coats with a soft watercolor
brush. When the stain has dried,
cover with coat of clear, colorless
lacquer.

Faith and Action

Lesson for May 1, 1955

THE church is not the state and the state is not the church. When either one tries to be the other, or to run the other, there is trouble. Church and state are separate; that is a deep-rooted American principle. But that does not mean that a wall should be run up between the state and religion. That does not mean that the state can afford to be indifferent to religion. You are not I and I am not you; but that does not mean there ought to be a stone wall standing high between us. It does not mean that either of us should be indifferent to the other. The church can help the state, and vice versa.

Executive's Religion

Most American churches, including those denominations (both large and small) sponsor this column, believe that the state ought not to help the church by direct "establishment" of any church by public law. No Presbyterian, Methodist or Baptist, for instance, and still less a Quaker or a Pentecostal Christian, wants his own church given government support, by money grants or any other way. Nevertheless, Christians of every label rejoice when a President or other leader professes his faith openly. We all feel, quite rightly, that we shall be better off when our leaders in state and society are genuinely religious men and women. There is an interesting and instructive illustration of this in the Bible. In the course of the history of Judah we come on the administration of a king named Jehoshaphat. He was a good king and he left his country far better than he found it. Now we hear very little about this king's beliefs. He was no more nor less orthodox than kings before or after him.

He was not a better king because he could pass a better examination in theology. He was better because he put his beliefs into action. A creed that can't get light and air and exercise turns sour, and it sours those who hold it.

Beginning on the Ground Floor

Now many acts of a high executive may not seem to be religious or to have anything to do with religion, and yet they may affect religion strongly. For example, there was Jehoshaphat, a king whose first recorded act was one for the public defense. He fortified his border garrisons and he developed a well-organized and well-equipped army. Religion cannot be upheld on the points of bayonets, that is all true; but the fact remains that in the time of Jehoshaphat there was real danger from invasion, and a successful invasion meant that the true religion would have to go underground. Korean Christians know this today perhaps better than anybody. What South Korean Christians want the U. N. forces to go home? So, even so seemingly non-religious a business as reorganizing an army for greater effectiveness, may have notable religious effects too.

Getting the Message to the People

Before Billy Graham visited Denmark, it was said, the preachers in that country, who were men of high education, preached so far over the heads of the people that churches had dimly small congregations. It is the people's business to rise to our level, said the preachers, not for us to sink to theirs. Then Billy Graham came along and showed what would happen if preachers really got down where the people are. Since that time, it is reported, the ministers have taken the hint and the churches are getting more people interested. You can put religion in a beautiful ivory tower, or gothic cathedral for that matter, and people may admire it but that's all. Religion has got to be put within reach of the people. King Jehoshaphat did this by putting his "teaching priests" on the road, taking the Law of God to the people, the Law which had so much to say about everyday living. In our country, on the contrary, though the one place where you can reach all the people is in the public schools and state colleges, the law generally permits any subject at all to be taught—except the Bible, which cannot even be legally read aloud!

(Based on outlines copyrighted by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A. Released by Community Press Service.)

sored by the county Home Bureau.

Announcement was made that the fee for attending Camp Shaw was na see July 5-9 will be \$13.25 and must be paid by May 10.

Mrs. Rudman and Mrs. Robert Schweizer reported on a recent meeting in Joliet relative to the Pageant of Progress to be held there July 28-31.

Nancy Schweizer gave a report on the club's window display which received honorable mention. And Miss Piepenbrink gave a report on 4H clubs around the world.

Second year girls were fitted for pattern sizes by Mary Carson, assistant home adviser.

Refreshments were served by Elaine Mager, Marcia Schweizer, and Mrs. Rudman. Your reporter, Judy Hansen, baked the cookies.

'Slick Chick' Prize Goes To 4-H Girl In Green Garden

Carol Piper, daughter of Mr. and Mrs. Russell Piper of Green Garden has received the "Slick Chick Award" in conjunction with six other 4-H girls. Carol is a member of the Prairie 4-Hers of Beecher.

The contest was for selling chick starter and for each 100 pounds of feed sold they received 10 votes. Carol won a traveling case for receiving the most votes.

'Curse of Aching Heart' Thrills Many

A packed house, Friday and Saturday night, responded to the "Curse of an Aching Heart" given by the Mokena Village Players at the Mokena public school. There were hisses for the villain and applause for the hero. Much credit goes to the entire cast for a splendid performance.

Dates For Peotone Fair Have Been Set For Aug. 26-28

The Peotone fair is to be held for a three-day period, Aug. 26-28. Approval of the dates has been given and they are listed among those sent out by Stillman J. Stangd, state director of agriculture.

Incidentally, there will be more fairs held this year than last. Standard reports 100 fairs - 99 county fairs and the Illinois state fair - are scheduled for 1955. There were 94 county fairs held last year in Illinois. The state fair is to be held Aug. 12-21.

The 99 county fairs to be held in Illinois this year establishes a record. The previous high number was 97 in 1953.

Information concerning exhibits and prizes offered by the Peotone fair may be obtained from the secretary, Robert Loitz.

T. B. Association To Hold Annual Meeting May 11

The annual meeting of the Will County Tuberculosis association will be held at the Ottawa Street Methodist church at Joliet, Wednesday, May 11, at 6:15 pm. This meeting is open to the public and anyone is welcome to attend, it was announced. Reservations must be in by Monday, May 9.

This meeting will commemorate the golden jubilee of the National Tuberculosis association. Annual reports will be given and copies will be available. Election and installation of officers for the coming year will take place.

The speaker for the evening will be Ellsworth "Dell" Thwing assistant executive director of the Illinois Tuberculosis association.

Library To Restrict Book Borrowing To Card Holders

For the first time in the Mokena library's history, library cards will be issued to all adults and children. These cards will be available without charge at the library during regular library hours, Wednesday evenings, 7:30 till 9:00.

Starting May 4 only card holders will be allowed to borrow books.

Parents will assume responsibility for their children's books and will be required to sign their cards before books will be loaned.

School Band In Frankfort Puts On Excellent Program

Many people from this area attended the second annual Frankfort community band concert which was held Sunday afternoon in the Frankfort school gymnasium, under the direction of Mr. William Reed. Twenty four band members participated. The Frankfort community band is made up of grade school pupils of the Frankfort area.

A Cappella Choir To Stage Operetta 'Sweethearts'

The A Cappella choir of Joliet township high school is to present Victor Herbert's delightful and melodious operetta, "Sweethearts" next week on the nights of May 5, 6 and 7, in the school auditorium. Curtain time is 8:15. All seats are reserved and tickets may be purchased at the school.

There are three Mokena girls in the chorus, Barbara Marti,

Pay Ruechert and Marshal Gaddis. Pay also is serving as co-chairman of the properties committee and Marsha is chairman of the publicity committee.

There are two New Lenox girls in the JTHS orchestra that will play the score for the operetta, Charlotte Gilmore, pianist, and Eleanor Hammond, who plays a violin.

To Hold U. of I. Scholarship Exams At JTHS Saturday

Due to a conflict with the competitive examinations to be given by the University of Illinois for scholarships for high school seniors, set by statute for April 30, it has become necessary to find another place for the special examinations on the Constitution of the United States and the Constitution of Illinois to be written, says Verne E. Crackle, county superintendent of schools.

Enter on the Jefferson st. entrance. There will be adequate space for cars in the parking lot.

Cheese Good For You, Says Scientists

Cheese is a good tasting food and it's good for you, say R. G. Hansen and S. L. Tuckey, a pair of dairy scientists at the University of Illinois college of agriculture.

Some people say they don't eat cheese because it is fattening. Yet it is often included in reducing diets. Why? Because cheese, although high in calories, has most of the life-giving food elements in compact form. It is packed full of vitamins, minerals and proteins.

best to cut down on the amount of food you eat but at the same time to get all the food elements you need. Cheese fills the bill. Few other foods contain so many nutrients compared to number of calories.

You don't have to worry about variety in your diet, either, if you eat a lot of cheese. Tuckey says there are enough kinds on the market to permit a person to eat a different kind every day for a month. There's a cheese for every taste, he says.

Hansen says cheese brings out the best in bread and crackers, too. It adds the needed food elements that are missing in cereals like bread, and thus helps to balance your diet.

Coal consumed annually by the Ohio Valley Electric Corporation's Kyger Creek (Cheshire, O.) plant and its Clifty Creek (Madison, Ind.) plant will total 7,500,000 tons, or enough to fill a train of hopper cars 1,420 miles long.

PLAY TO START IN SOFT BALL LEAGUE MAY 9

Play in the Tinley Park soft ball league is scheduled to begin Monday night, May 9 at 7:30 o'clock. The schedule makers have games for Monday, Wednesday and Thursday nights throughout the season.

To date there are nine teams sponsored - Cavett Drugs; Teehan Tap, Fredericks Service station, Veterans of Foreign Wars, Seyffert and Locke, Saenger Hall, Service Bakery, Brandau Excavating and Lehmann's garage.

Players of 16-inch softball who have not signed up with any of the teams are advised by those in charge to get in touch with the sponsors of their team managers if they are interested in getting a place this season.

There is to be a meeting at the home of William McBurney tonight (Thursday) at 8 o'clock to elect officers for the league. McBurney has been spearheading the formation of the league and all the meetings had on the project have been held in his house.

Bremen Places 2nd In Tri-School Track Meet

Bremen high thinclads raced to second place in a tri-school track meet at Reavis Wednesday, April 20.

Stealing the spotlight were the Reavis Rams who garnered 62 1/2 points while Bremen collected 47 1/2 points and Carl Sandburg, 39 points.

Earlier in the campaign Reavis bested the Braves 78 1/2 to 38 1/2, but with some experience under their belts the Bremen cinder men gave a much improved performance.

Fleet-footed Onis Bond dashed 220 yards in tennis shoes in 23.3 seconds to top first place in this event. The half mile relay team (Ron Berens, John Seniw, Tom Caples, and Onis Bond) gathered top honors with a time of one minute and 42.6 seconds.

Runner-up laurels went to Tom Caples in the high hurdles; Onis Bond, 100 yard dash, Tom Devlin, mile; Milford Robinson, 440 yard run; Jack Ruiter, 880; mile relay team; and Jerry Behrens in the discus.

Jerry Lewis contributed thirds in the mile grind and 880 yard run. Also gathering thirds were John Seniw, broad jump; Charles Hendricks, high hurdles; Bill Schram, 440 sprint; Ron Berens, 220 yard dash; and Jim Stewart in the high jump.

George Nelson took fourth in the pole vault as did Hendricks in the low hurdles.

In the frosh-soph track and field events, the Bremen speedsters outclassed the Reavis and Carl Sandburg tyros to take first place.

Bremen Braves Beat Oak Lawn 12 to 3 In Conference Game

Bremen high school Braves clubbed 11 hits off the servings of three Oak Lawn hurlers for a 12-3 Southwest Suburban Conference win on the home diamond Thursday, April 22.

After spotting the Spartans

three runs in the initial frame, Rich Judds, Bremen moundman, blanked Oak Lawn for the remainder of the contest. Judds fanned nine opposing batters in his seven inning stint to cop his victory in as many starts.

In the second inning Bremen collected three runs on four Oak Lawn miscues and a circuit clout by right fielder Jerry Keith.

Exploding in the sixth for five tallies, the Braves' big guns rapped out a double and two singles. The pay off blow was shortstop Roger Hug's two base hit with the bases loaded.

Rich Rockets Defeat Bremen Braves 6 - 2 In Tilt At Matteson

Bremen high Braves dropped their opening Southwest Suburban Conference baseball tilt to the Rich Rockets, 6-2, at Matteson Friday, April 16.

For three innings both teams played on even terms and were deadlocked 1-1. Then with one out in the bottom half of the fourth the roof caved in on the Braves.

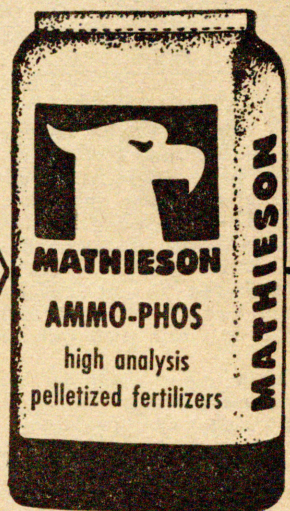

Rich jumped on Buttery and reliever Rich Judds for four runs on four hits and two infield miscues.

Bremen's two runs were scored by Len Wood, left infielder. In the top half of the third Wood smashed a single to left, stole second, and later crossed home plate on a fielder's choice.

To open the fifth Braves' pitcher, Rich Judds, smashed a hot grounder past third. Len Wood forced Judds; and when Pernal was given a free pass, Wood advanced to second. He hit paydirt a few seconds later when Ron Gallina lofted a single to short left center.

Bremen 0 0 1 0 1 0 0
Rich 0 1 0 0 4 0 1 0

CARD OF THANKS
To all our many friends and relatives who were most gracious in helping at the wedding of our daughter, we desire to express our sincere appreciation.

MR. and MRS. EDWARD BRUESER.

Mr. and Mrs. Ralph Spiecker and Mr. and Mrs. Fletcher Binton Jr. of Mokena and Mr. and Mrs. Lloyd Cleveland of New Lenox were guests of Mr. and Mrs. Donald Becker Saturday evening. A social time was enjoyed.

Mrs. Mina Goodwin of Arlington Heights arrived last Tuesday at the home of her sister, Mrs. Carrie Hensel to spend several weeks with her.

Miss Gladys Rinke who was taken ill suddenly while attending her classes in Lincoln Way high school last week, is a medical patient in Silver Cross hospital.

Mrs. Elmer Cooper, who is a patient in Silver Cross hospital, underwent surgery last Wednesday for the second time. She is feeling some better.

The regular meeting of the Sunbeam Camp 6054 RNA of Mokena will be held in the home of Neighbor Viola Hostert Tuesday, May 10 at 8 p.m. Members wanting to donate articles to be sent to the RNA home at Davenport, Ill. should bring them to Mrs. Hostert's home before May 3, so they may be sent to the home for Mother's Day.

Bruce Gaddis, 22, son of Mr. and Mrs. Robert Gaddis, left the forepart of this month for Treasure Island where he is receiving training in the electronic school of the navy. He had attended the University of Colorado at Boulder three years, taking a chemical engineering and business course. Bruce enlisted

Randall To Speak At N W Commencement
Clarence B. Randall, chairman of the Inland Steel Co. board of directors, will be Northwestern university's commencement speaker Monday, June 13, it was announced by Dr. J. Roscoe Miller, University president.
Northwestern's 97th annual exercises will be held in McGaw Memorial hall, Evanston, where more than 2,500 June graduates will receive degrees and diplomas.

BOYS BUSY ON MODEL AUTOS
All over America, thousands of boys are putting the finishing touches on model automobiles to enter in the 1955 Fisher Body Craftsman's Guild silver anniversary model car competition. The stakes are eight university scholarships, worth \$20,000, and another \$70,000 in cash and U.S. Savings Bonds.

Twenty-five years ago, Fisher Body management and a group of the nation's leading educators met together and worked out the details of the youth program whose sole aim is the development of craftsmanship and creative ability among boys. Daniel Carter Beard, the great Boy Scout leader, was the first honorary sponsor from the field of education were Nobel Prize winner Dr. Robert A. Millikan, California Institute of Technology; Rev. Thomas A. Steiner, C.S.C., University of Notre Dame; Dr. George J. Davis, Jr., University of Alabama; Dr. Marion L. Brittain, Georgia School of Technology; Dr. Dexter S. Kimball, Cornell university, and many others.

Excepting the period of World War II, the Craftsman's Guild has held an annual competition every year since 1930.

In that time, the Guild has awarded 131 university scholarships valued at \$420,500 to national winners. More than \$650,000 in cash and other awards have been made to thousands of boys winning state and regional honors.

Approximately 3,800,000 boys enrolled in the Guild's membership and participated in some measure in its activities.

A recent survey made by Fisher Body among former competitors in the Guild program indicates that both winners and non-winners feel they gained something very important from the experience of designing, building and entering a model in the Guild competition.

Over 500 replies have been received by the Guild from former winners asked to find out what kind of careers they have built for themselves and how much their Guild experience aided them in training for their careers.

Among the group already heard from, 54 per cent are either still in school (62 per cent of them in college) or in the U. S. armed forces.

Of those now in their chosen careers, 22 per cent are engineers, 10 per cent are running their own businesses and four per cent are doctors. The remainder are engaged in activities too varied to tabulate but they include industrial designers, tool and die designers, salesmen, farmers, draftsmen, bankers, educators, newspapermen, and one member of the FBI.

The 1955 competition ends at midnight, June 1. For several weeks thereafter the model cars will undergo intensive judging by General Motors styling experts, professional vocational arts

Mrs. Katharine Heisner
Frankfort 4902

Mr. and Mrs. Henry Kuse and daughters attended a party in the home of Mr. and Mrs. Wilbert Klier in Frankfort last Wednesday evening to celebrate Mr. Klier's birthday.

Mrs. Harold Ullrich entertained her pinochle club in her

home Wednesday afternoon. Honors were awarded to Mrs. Harry Waldhauer, Miss Lillian Miller, and Mrs. Reuben Schmidt.

Miss Alice Meisterling and Henry Klenz visited with Arnold Klemann in Silver Cross hospital Sunday evening. The latter underwent surgery last week and is recuperating nicely.

Mr. and Mrs. Charles Krapf entertained in their home at dinner Sunday in honor of Charles Patton of Joliet who was confirmed in the Frankfort Methodist church Sunday by the pastor the Rev. Ralph Steele.

The guests were Mr. and Mrs. Floyd Krapf, Mr. and Mrs. Roy Krapf and Mr. and Mrs. Wayne Krapf and their families. Also Miss Violet Krapf and the confirmants mother Mrs. Bernice Patton of Joliet.

Mr. and Mrs. Al Noreen of Sheldon were recent dinner guests of Mr. and Mrs. Wright Woods. In the evening all were supper guests of the Otto Schumachers.

Mr. and Mrs. Henry Krapf and Mr. and Mrs. Harold Ullrich and family attended the confirmation dinner Sunday in the home of Mr. and Mrs. Emory Bettenhausen in honor of their son Lyric and Janet Johnson, daughter of Mr. and Mrs. Clarence Johnson of Manhattan. Other guests beside the Johnson family were Charles Johnson, Mr. and Mrs. Fred Eckholm and Mr. and Mrs. Kenneth Knickrehm and daughter all of Manhattan. Also Mr. and Mrs. Raymond Bettenhausen and Diane and Miss Esther Bettenhausen.

Mr. and Mrs. Vincent Shortt had their two nephews Ricky and Leonard Burger and their friend, Owen Reid, all of Cicero as weekend guests.

Mr. and Mrs. Richard Borms and family were dinner guests of her parents, Mr. and Mrs. Elmer Steidinger at Fairbury, Sunday.

Mr. and Mrs. William H. Bettenhausen visited with Mr. and Mrs. John Heitman Friday evening in Manhattan, helping the latter celebrate her birthday.

Mrs. Carl Nystrom and daughter Donna Jean and Mrs. Elizabeth Seaberg both of Chicago visited with the former's parents, Mr. and Mrs. Nels Solberg last Tuesday.

Mr. and Mrs. Henry Smit and family attended the birthday supper in the home of Mr. and Mrs. Peter Heisner in Peotone Sunday evening, in honor of Mr. Heisner's birthday.

Mr. and Mrs. Harold Scheer entertained Saturday evening in honor of their daughter Barbara and her 14th birthday. Guests were Mrs. Anna Scheer, Mr. and Mrs. Elmer Batson and Mr. and Mrs. Orval Schroeder and children.

COOPER ELECTRIC

Orland 159

Modern 12-volt electrical system!

The only car in the low-price field with the extra energy of 12 volts . . . twice the electrical punch!

Faster, stronger cranking for cold-weather starts and a "fatter" spark for faultless high-speed operation.

Highest standard compression ratio in its field!

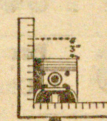

Chevrolet's compression ratio is 8 to 1, to wring every possible ounce of power and extra miles out of every gallon of gas.

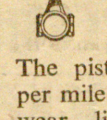

Requires only four quarts of oil! Chevrolet's V8 engines are so efficient they need only four quarts of oil . . . so you save on every change!

Highest horsepower per pound!

These great V8's weigh far less than any similar engine in America, top the low-cost field in power per pound!

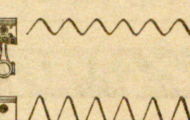

Shortest piston stroke in the industry! Three-inch stroke reduces cylinder-wall friction, generates less heat, permits more compact design.

The pistons do far less traveling per mile . . . that means less engine wear, lighter loads on bearings.

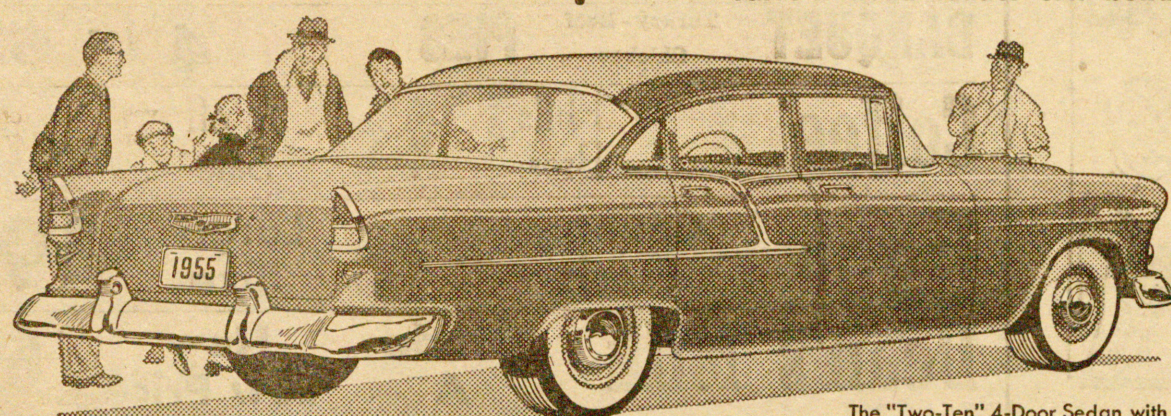

It's the valve-in-head V8 as only the valve-in-head leader can build it!

Here's why Chevrolet out-V8's everybody!

These features and advantages are the measure of a truly modern V8 engine . . . and only Chevrolet has them in the low-price field. Most aren't even found in high-priced cars. That's why Chevrolet is stealing everybody's thunder with the most modern V8 on the road!

motoramic

The "Two-Ten" 4-Door Sedan with Body by Fisher.

Don't buy any V8 until you've tried CHEVROLET'S record-smashing "TURBO-FIRE V8"! MOST MODERN IN DESIGN - LOWEST IN PRICE.

Stamp, Not Test, Prime Need To Get Driver's License

Secretary of State Charles F. Carpenter today reminded Illinois drivers that it is unnecessary for them to take a drivers test to renew their drivers license.

Secretary Carpenter said he had received numerous reports from his drivers license examination stations that many drivers are apparently unaware of the fact that they need not take a test to renew their license but may obtain them by filling out an application for renewal and mailing, it together with the proper fee, to the Secretary of State's office in Springfield.

Those required to take a drivers test before obtaining a license are: persons who have not previously been licensed in this

state or have allowed their license to expire, persons who have reached the age of seventy, and those who have had their license cancelled or revoked, Secretary Carpenter said.

Set May 6 As 'Step Up Day' For 8th Grade Students

Friday, May 6, has been designated as the day on which eighth grade students in dual school systems will be given the opportunity to attend the high school in which they plan to enroll for the 1955-1956 school term. Unit district superintendents may want to use this day for their orientation program for the eighth grade graduates who will move into the high school next fall.

Elementary principals and rural teachers are requested to send to high school principals the names of the children they may expect on Step Up Day.

High school principals are requested to ask visiting eighth grade pupils to complete an at-

tendance slip which is to be returned to the elementary school principal or teacher as evidence of satisfactory participation in the Step Up Day program.

Improper passing is a major cause of spring and summer traffic accidents, warns the Chicago Motor Club. Allow plenty of room and time when passing.

COOK CLEAN electrically!

Your kitchen walls stay bright and clean when you cook electrically. So why not enjoy the modern way to cook? A new electric range costs as little as \$2.03 a week to own!

That's far less than the cost of repainting your kitchen every spring. And with electric cooking there are no products of combustion—so you

won't have to wash walls and ceilings nearly as often either.

Today's electric ranges keep your kitchen clean and cool. And many models are completely automatic. See a demonstration this week.

Our New Installation Plan can save you real money!

The Community club party and meeting will be held tomorrow night, April 29, in the Schumacher school. Hostesses, Mrs. Elmer Smith, Mrs. John Svitoris and Mrs. Edward Fouts are asking all those attending to please bring cup cakes, and pop for the children.

Mr. and Mrs. Earl Dieken and son Jeff had as their guests last week, Mrs. Dieken's sister, Mrs. John Boyce and son, Joe, of Chatsworth, Ill., Mr. Dieken's aunt and uncle, Mr. and Mrs. William Siemons of Del Roy, Ill. were their guests over the week end.

Ralph Wright attended a student council meeting at Bradley university over the past week end, and while there stayed with his wife's parents, Mr. and Mrs. William Stalter in Peoria.

Mr. and Mrs. Lee Keller and family were guests for the day Sunday of Mr. and Mrs. John Lohmar in Joliet.

Mrs. Rose Rabiega had as her guests Sunday, Mr. and Mrs. Manley Genske of Chicago.

Gregory Lowrey has returned to his home in Chicago after spending the past week here with his aunt and uncle, Mr. and Mrs. Clare Newman and family. Mrs. Robert Taylor and dau-

ghters Barbara and Kathy spent the past weekend in Aurora with her parents, Mr. and Mrs. William Ascott.

Mr. and Mrs. Ed Hollenbeck entertained in their home Saturday honoring the 11th birthday anniversary of their son Bruce. Guests for the day were Bruce's aunts and uncles, Mr. and Mrs. Wilbert Kraehmer and family of Memphis, Tenn., Mr. and Mrs. Charles Kraehmer and family of Chicago; his grandmother, Mrs. Charles F. Kraehmer and paternal grandparents, Mr. and Mrs. Herb Hollenbeck and Herbert Goller, all of Chicago.

On Monday, Mr. and Mrs. Wilbert Kraehmer and family of Memphis, Tenn., and Mrs. Chas. F. Kraehmer of Chicago were guests for the day of the Hollenbecks; and on Sunday, Mr. and Mrs. William Terdy and children of Tinley Park, and Mr. and Mrs. Charles Morey of Park Forest, were guests.

Mention was not made last week in the column of the lovely work done by Mrs. Kenneth Mills on the Friendship tablecloth that was given at the recent card party at the Schumacher school. She is to be commended on the idea of the Friendship cloth, and all the work she put into it. Mrs. Clarence Madsen was awarded the tablecloth.

Mr. and Mrs. William Malloy and family, and Mr. and Mrs. D. M. Owen and family went to Chicago Friday night where they attended a birthday celebration and family gathering, honoring their mother, Mrs. Vera Sullivan, and their sister-in-law, Mrs. Robert Sullivan. The party was held in the Robert Sullivan home.

On Saturday night Mr. and Mrs. William Malloy and children attended a birthday celebration honoring his mother, Mrs. J. P. Malloy at the Malloy home in Chicago; and on Sunday attended a communion dinner honoring their nephew Neal Sullivan, in the home of her brother and sister in law, Mr. and Mrs. Burnett L. Sullivan in Chicago.

Mr. and Mrs. George Meseke of Forest Park were guests on Sunday of Mr. and Mrs. Walter Thode.

Paul Behen and Dale Booble celebrated their 6th birthdays together at a party held in their honor April 22. Guests present were Caren and Bridget Hoolehan, Billy Potter, Mike Lawson and Tommy Booble. They all helped to make the day a happy one.

CARD OF THANKS

I want to thank all who voted for me as trustee of New Lenox at the recent election.

F. NOEL ELLIOTT

Mr. and Mrs. Steve Sergeant have returned to their home in New Lenox after spending a week at Gamaliel, Ark., where, they said, the fishing was good.

The Holy Name Society of St. Jude's Catholic church will meet Tuesday night, May 3, for their regular monthly meeting in the parish hall.

Clinton Smith, Supt. of Silver Cross hospital, will be the guest speaker at the meeting of the WSCS of the Methodist church, on Wednesday afternoon May 4th at one o'clock at the church. Dessert-coffee will be served by the hostesses Mrs. Ernest Oram, Mrs. Roland Fitzner, Mrs. Fred Francis, Mrs. Albert Schumacher, Mrs. J. S. Randall and Mrs. Ralph Miller.

The Homemakers had a party last Thursday in the home of Mrs. Walter Gobush, in place of their regular meeting. Mrs. Lucille Bishop of Joliet was the demonstrator. Refreshments were served by the hostesses assisted by Mrs. Clarence Batson. The next meeting will be held at the home of Mrs. Louis McCann, with Mrs. Robert Taylor assisting.

Mrs. Wendell Cooper opened her home Tuesday night, April 19 to the members of the First Child Study club. Mrs. Robert Stockley, Jr. was the co-hostess. Movies on "The Sociable Six to the Noisy Nines" were shown. Plans were discussed for taking the children to the Brookfield Zoo sometime in May. Plans were also made for the members and their husbands to spend a social evening at the home of Mr. and Mrs. Ronald Crisman in Lincolnwood May 7.

The April meeting of the New Lenox Home Bureau was held at the home of Mrs. Davis Gougar. Dessert coffee was served at 1:30 with Mrs. William Allen, co-hostess, assisting. The lessons were given by Mrs. Neatus Wilson and Mrs. Edward Borens, and Mrs. Charles Carlson, and there was group singing accompanied by Mrs. Gougar at the piano.

Mrs. Howard Cruise was hostess in her home Sunday afternoon at a bridal shower, honoring Miss Margery Braun of Ingalls Park, who will be married May 7 to Albert Hamilton. Novel games were played, and prizes were awarded to Mrs. Walter Savers, of Ingalls Park, and Miss Phyllis Hamilton of Plainfield. A buffet supper was served to the guests at 5 o'clock.

Miss Beverly Osmus has returned to her home at Jackson, Mich. after spending several days here visiting with her sister and brother in law, Mr. and Mrs. LaVerne Braun and family.

Mr. and Mrs. Eugene Rice and children Barbara and James of Sanford, Fla. are vacationing here with Mrs. Will Hafka. Mrs. Rice and children will remain

in Woodman home. Evening services to be held when building is completed.

GRACE EPISCOPAL CHURCH
Mike Mooney, seminarian
Holy Communion 2nd Sunday each month 11 a.m.
Morning prayer 11 a.m.
Church school 9:45 a.m.

LAST RITES HELD

Funeral services for Mrs. Eula Smith were held April 22, at Christian church at Detroit, Ill. Mrs. Smith was the wife of Earl C. Smith, president of the Illinois Agricultural Association for 20 years before his retirement in 1945.

COUNTY UNIT REVIEWS WORK IN FIGHT AGAINST CANCER

"The Cancer Sword is truly the Sword of Hope" is the inspiring slogan of the many men, women, physicians, businessmen, club women and community leaders who share the important work being carried out by the Will County chapter of the American Cancer society.

"The American Cancer society is a voluntary association of people who participate in its work and contribute to its activities in the belief that we can and will defeat cancer," Willard Curtis of Joliet, chairman of the chapter's executive committee explained.

In conjunction with the nationwide crusade, the local chapter is currently conducting its annual educational and fund-raising campaign. More than 200 volunteer workers, under Chairman Henry Sehring, are taking part in the campaign to publicize facts about the cancer control program and to raise money needed to carry on the work of the ACS.

Mrs. Fred Ricketts, assisted by Mrs. Ralph Harwell and Mrs. Herbert Wrath, is in charge of the campaign in the Mokena area.

National goal for this year is \$24,000,000. The Will County chapter is hoping to raise \$20,000. Funds collected during "Cancer Control Month" will be used to conduct ACS activities in research, education and service to cancer patients.

Almost every branch of science is participating in research attack on cancer. Twenty-five per cent of your contribution is used for the nationally administered research program.

In the field of education, activities of the local ACS chapter cover two phases, professional and public education. Professional education is provided to keep physicians, dentists and nurses in this area informed on all that is known about the diagnosis and treatment of cancer.

An informative booklet, "Cancer Source Book for Nurses" was given to the faculty and graduating classes of Silver Cross and St. Joseph's hospitals last year, professional films on cancer were shown to various medical groups and nurses of Will County attend a symposium on cancer in Chicago each year.

Objective of the ACS Public Education program is to stress the need for heeding the warning signals which may mean cancer, and the urgent need for periodic check-ups. During the last year, the Will County chapter distributed 18,866 pieces of literature, held 73 film showings, sponsored 34 talks and arranged 264 "spot

announcements" on the local radio station.

Fifteen per cent of your donation is used to spread the facts and information about cancer.

The Service program of the local ACS group begins at an information center at 58 North Chicago street, Joliet, where persons may get information about cancer, learn what services are available to cancer patients and to receive counsel. Last year, 222 inquiries were serviced at the center.

The Will County chapter also purchases nursing services from the Public Health Council of Joliet. In 1954, 686 calls were made by these nurses to 35 cancer patients.

A Cancer Diagnostic clinic is also a part of the local ACS Service program. This service is provided through the joint cooperation of the Will-Grundy Medical Society, St. Joseph's hospital and the state health department. The clinics are held on the second and fourth Tuesdays of every month. Diagnostic services of the physicians are free. Sixty per cent of your 1955 contribution will be used to carry on this important service.

Patients requiring dressings can obtain them through the Will County ACS chapter. Last year, 39,467 dressings were made and distributed, and 1,245 bed pads, 186 bed coats and 36 binders were furnished to cancer patients. These were prepared by volunteer workers at the local ACS chapter.

ORLAND PARK

Mrs. Sherman Knox
Orland Park 211W

CARD OF THANKS

Our sincere thanks to all voters who made it possible for our re-election as trustees of the Village of Orland Park.

MELVIN DOOGAN
PAUL VOSS

CARD OF THANKS

I wish to extend a sincere thank you to each voter of Orland Park who took the time and trouble to write my name on the ballot which made my election possible.

LLOYD COWAN

Bob Town returned Saturday from an interesting five weeks trip to Mexico. He spent two weeks in Mexico City visiting friends and sight seeing. He also spent ten days in Acapulco swimming, boating and water skiing.

A testing program was carried out last week in the Orland Park elementary school under the direction of Norbert Jerling, principal. The following tests were given: Kuhlman-Anderson intelligence tests to grades 2 and 3. California test of mental maturity to grades 4-8 and California language test to grades 4-8.

Mr. and Mrs. Harry Anderson and daughter Karen, spent Sunday visiting friends at Harbert, Mich.

Mr. and Mrs. Ray Robson received word from their son, M/Sgt. Frank that he is stationed for the time being at Guam. He extends a "Hello" to all his friends in Orland. His wife and family are at the base in South Dakota.

Frank Baker is at Kosary Nursing Home at 147th St. in Tinley Park. He would enjoy hearing from his friends in Orland Park.

There was a good attendance at the John Wesley film shown in the Orland Park Methodist church, Sunday evening.

Mabel Ekberg has returned from a tour trip to New York last weekend. There were 77 people in 2 coaches of the New York Central Ry. who went on this tour. They visited the Statue of Liberty, Empire State Building, United Nations, China Town, Jack Dempsey restaurant Greenwich village and other places of interest. They also saw the film "Glass Slipper" an Easter Day program in the Music hall. Headquarters were at the Commodore Hotel. All in all it was an enjoyable tour.

Mrs. Karl Ekberg reports she has delivered 30 dozen eggs to the Methodist Old People's Home on Foster ave., Chicago. Not having enough eggs to fill a crate, she sent \$6.00 to Lake Bluff Orphanage to purchase eggs near their home. She has received credit voucher for both.

Two month old son of Mr. and Mrs. Harold Braasch was christened at the Sunday morning service at the Emanuel Lutheran church in Mokena. Rev. A. W. Gode officiating. He was given the name John William. After the services, the Rev. and Mrs. Gode and members of the immediate family enjoyed a ham dinner at the Harold Braasch's new home on 108th ave., Orland Howard and Priscilla Braasch of Palos Park were the sponsors.

Mrs. Robert Horn entertained her bunco club last Monday afternoon.

Mrs. Ethel Granate entertained her pinchle club Wednesday evening.

Mrs. Lois Garmon was host to her girls club Thursday evening.

At the meeting and party of the Firemen's Auxiliary last Monday evening in the village hall, Mary Ritchey was elected president, Hilda Nitsche, secretary and Eleanor Voss, treasurer. Installation of officers will take place at the May meeting. The party was a huge success.

The hostesses had a cake with 6 candles representing the 6th anniversary of the auxiliary.

Members of Mrs. Harry Heitings family were dinner and supper guests Sunday, April 24.

ALPINE

Mrs. E. Mrosek
Orland 2841-R

Mrs. Hazel Brown, Maue's upper grade teacher, has notified the school directors that she will not be available for teaching next year.

Mrs. Brown has taught at Maue the past six years. News of her leaving will be disappointing to students and parents alike.

Mrs. Helen Lembke, principal and teacher of Maue's lower grades, renewed her teaching contract for next year, at a meeting with the school board Monday evening.

A daughter was born to Mr. and Mrs. Charles Henning, April 20 at Silver Cross hospital in Joliet. The new arrival weighed nine pounds and 11 ounces at birth and has been named Sally Ann. The Hennings have three other children, Charles, Charlotte and Edwin.

Mrs. Henning and Sally returned home Saturday evening. Both are getting along fine.

Three more cases of mumps have been reported in the district the past week.

Miss Evelyn Giesep of Chicago is spending the week visiting with friends in Alpine.

The final 4-H meeting of a group in tractor maintenance was held at the Martin Implement Co., Orland Park, Thursday evening. Albert Reeves instructed on combustion, ignition and cooling systems.

4-Hers enjoyed another interesting evening of instruction in farm electricity at the farm bureau in Tinley Park, Tuesday evening.

Mrs. Harwood Stellwagen, leader, will give a lesson in pressing at the meeting of the Alpine Girls 4-H club to be held the evening of May 3.

Materials for the lesson will be furnished by the Public Service Co.

All members and prospective new members are urged to attend.

4-H News
The Orland Boys 4-H club met Monday night, April 18, at the Maue school. The meeting was called to order by the vice president, Duane Erickson. The secretaries and treasurers reports were given by Darrell Erickson.

Four new members, Richard Cardemone, Paul Bukowski, David Bukowski and Paul Johnson, joined the club.

The project record books were

checked to see if they were up to date.

A 4-H baseball team was also discussed. Talks were given by Arthur Maue on his beef project and Walter Reeves on tractor safety. After the meeting was adjourned refreshments were served by Joseph Albert and Ronald Fandrey.

—Robert Stellwagen, club rep.

Invite Stellas As Guests To Park Police Benefit

Through the cooperation of the Chicago Auto Racing Committee, the Chicago Park District Police Benevolent association cordially invites all uniformed boy scouts and girl scouts, individually or in troops, accompanied by an adult, to be its guests at the Gold Trophy stock car race at Soldier Field, Saturday, May 28 at 3 p.m. This invitation is extended also to all public and parochial safety patrol boys wearing their white belts and accompanied by an adult.

This is the park police way of showing these youths that their efforts as good citizens are recognized and appreciated. In the same vein, the guests of honor for the races will be the nine outstanding Young Citizens selected by the Junior Association of Commerce and Industry.

Monies derived from this race go to the Park Police Widows and Orphans Fund which serves as a general insurance fund and helps to provide for the dependents of the Park Police, many of whom are killed or injured in the line of duty. It helps to defray the welfare, medical and funeral expenses of a Park Policeman and provides a \$15.00 monthly payment to all orphan survivors until they attain their 18th birthday; all at no expense to the taxpayer.

Although about half a billion tons of bituminous coal have been mined annually since 1910, coal still in the ground in the United States amounts to about 95 per cent of original total reserves.

The American Red Cross is the only voluntary relief agency officially designated by Congress to work with the armed forces.

The Eisenhower School Program

(Taken from the "Congressional Record")

Mr. Mason: Mr. Speaker, the President in his message to the Congress outlining a school-construction program took note of the fact that our system of public school has always been - and we hope it always will be - a school system based upon state and local control. The President then proceeded to assume that certain states and local communities were unable to raise the money necessary to provide adequate schoolrooms to properly care for their children; and, therefore, federal aid in the shape of federal funds - aid to help pay the building costs of the new buildings or to underwrite local school building bonds - was necessary. Is this assumption correct?

According to U. S. Department of Education figures, the average teacher load in 1920-21 - number of pupils per teacher - for the Nation as 31.7. In 1950-51 the average teacher load was 24.1-7.6 fewer pupils per teacher than 30 years ago. The situation, therefore, so far as crowded classrooms are concerned, has

actually improved. It has definitely not become worse. Why then must the federal government rush to the aid of the states and local communities?

Of course we all know that there are certain impacted areas, where defense plants have been built, that have more children than schoolroom space. Since these impacted areas were created as a result of federal action and federal needs, then of course such impacted areas should be given federal aid - and that has already been provided for in previous legislation, Public Law 815 and 874.

Mr. Speaker, in the first place, Uncle Sam has no money to give out that he does not first get by levying taxes upon the state and local communities. Twenty years ago the federal government was satisfied by taking 25 cents out of every tax dollar paid in the United States, leaving 75 cents for the support of the States and local communities. Today the federal government takes 75 cents out of every tax dollar paid in the United States, leaving only 25 cents for the States and local governments to exist upon. If the federal government did not rob the states and local governments, of their tax dollars, they could and would provide proper school facilities for their children without calling upon Uncle Sam for help.

Uncle Sam—The Cure-All For Juvenile Delinquency

The problem of juvenile delinquency is a serious one. How is it to be solved? Is it a problem for the home, the church, the school, the local community, or is it a problem for Uncle Sam? A recent report by a senate committee, headed by Senator Kefauver, says it is a problem for Uncle Sam; the more federal expenditure, more federal intervention, and a greater federal bureaucracy is the answer to the juvenile delinquency problem. The Kefauver committee reasoned as follows:

(a) Crowded schools cause some children to become delinquent, so "we need federal aid for schools to relieve the overcrowding."

(b) Slum conditions in cities cause juvenile delinquency, so "we need an expanded program of public housing to eliminate slums."

(c) Lack of community playgrounds and services cause juvenile delinquency, so "we need more federal funds for mental and physical health."

(d) We lack trained experts for the prevention and treatment of juvenile delinquency, so "Uncle Sam must make grants to educational institutions for the training of students in this field."

(e) Local organizations and agencies lack capital to establish new community services and programs, so "Uncle Sam must advance the needed capital." (What a fertile field for boondoggling this would be!)

Juvenile delinquency is a difficult problem. However, if the states, local communities, schools and parents can't solve it without looking to Washington, then our states, local governments, schools, and parents have sunk to a very low level indeed. Juvenile delinquency is a problem for the parents, the church, the school, and the local community - not for the federal government.

Chemical War On Weeds, Insects, Imperils Stock

Livestock producers were warned today against carelessness in handling the many poisonous materials used in today's modern farming practices.

Veterinary medical authorities report an increase in the number of losses from chemical poisoning in recent years. Risks may be greater on the best managed farms because more of these chemical products are used for weed and insect control, authorities say.

Some weed killing chemicals are poisonous while others are in themselves harmless but may cause chemical changes in plants.

When these plants are eaten following treatment with the chemical they may produce ill effects.

Fertilizers containing nitrogen should be stored away from livestock. Old paint containers and storage batteries should be discarded, because of the lead they contain. Animals licking on these items may get lead poisoning.

In event of symptoms of poisoning, a correct speedy diagnosis is essential. Not only is prompt treatment the key to saving animals, but it will prevent a similar fate in those yet unaffected.

MILDEW STAIN DIFFICULT TO REMOVE

It's easier to prevent mildew than remove its stains, besides being easier on the fabric! No magic formula has yet been devised for removal of the greyish stains caused by the mildew parasite that feeds on warm, damp fabrics. Since damage usually results from even scientific efforts to remove mildew stains, they advise homemakers to store clean fabrics away dry. That "dry" advice applies, too to soiled items tossed into the laundry bag in warm weather.

For ignition trouble after a spring rain, raise the hood and give the dampness a few minutes to evaporate, advises the Chicago Motor Club.

TOP PRICE ON MILK FOR MARCH IS SET AT \$3.39 PER HUNDRED

Dairy farmers who delivered milk to the Chicago market in March will be paid on the basis of two prices. A price of \$3.39 a hundred will be paid for all Grade A milk up to the amount of each farmer's "milk base." All milk that will be paid an "excess price" of \$2.99. Both prices are for 3.5 butterfat milk delivered in the 70 mile zone.

The official milk prices are announced every month by the milk market administrator's office in Chicago.

Harry Edwards, head of the sales department of the Pure Milk Association said that March was the first month this year in which larger volumes of milk surplus milk were produced in the market. Last year this surplus milk was causing marketing problems even as early as January.

Edwards is responsible for keeping a market for 15,500 dairy farmers who produce about half of the milk used in Chicago.

Sales of milk in Chicago increased by 5.4 per cent or 10 million pounds over March 1954. This used up milk which otherwise would have been manufactured as surplus.

The big reason for the decrease in surplus milk is the change in production. Dairy farmers in the Chicago market produced 8.3 per cent or 36 million pounds less in March than they did a year ago.

From indications in the Chicago milkshed, Edwards estimated that surplus milk will not reach the plant-straining proportions it did during the summer of 1954.

Considerably less milk will be manufactured into dry milk powder and considerably less cream will be made into butter and sold to the government.

The milk prices for March are 29 cents lower than the March 1954 price, and 13 cents lower than the February 1955 price. A blend price for March 1955 would have been \$3.30.

Edwards said that the lower prices are due to several things.

The milk prices are still showing the effect of the lower price supports. The change from 90 to 75 per cent of parity became effective on April 1, 1954.

Changes in the operation of the federal milk marketing order also effect the March price, Edwards said.

Last year there was a premium of 80 cents a hundred for milk used in bottling and similar purposes. This year the premium on this Class I milk was lowered to 70 cents beginning March 1.

The 70 cents will continue through June, leveling off the

premium during the summer months. Last year the 80 cents premium dropped to 60 cents in the big milk production months of May and June.

Start Work On Campaign For U. of I. Branch

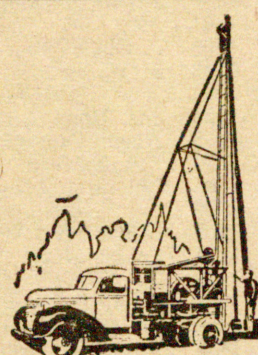

A state-wide campaign to establish a four-year branch of the University of Illinois in Chicago has been launched by the Parents Association at Navy Pier. A. E. Steck, Chicago businessman is president.

The group represents more than 3,050 parents of students attending the two-year division of the U. of I. at Navy Pier, Chicago.

The proposal to establish the four-year branch in Chicago first drew public attention in February when a special investigating committee, headed by Rep. Paul Randolph (R., Chicago) submitted a report to the 69th general assembly advocating the proposition.

A bill to appropriate 5 million dollars to purchase a site on Chicago's northwest side has since been introduced in the House by Rep. William Pollack (R., Chicago). In addition to the site mentioned in the bill, three alternative sites in Chicago are being studied.

Steck said that the students at the Urbana campus will greatly benefit from the four-year branch in Chicago because of less crowding in classes and better housing opportunities at Urbana.

BOLENS POWER-HO GARDEN TRACTORS

WORK FOR YOU THE YEAR 'ROUND

Bolems has Versa-Matic Drive, the amazing new development which gives you continuous forward speeds and safety reverse all under full power and load, without belt changing, shifting or clutching.

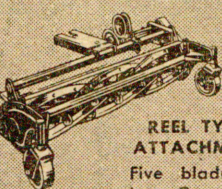

Bolems offers you your choice of 111 attachments which simplify and quicken practically every garden and farm task from cultivating to

spraying insecticide, from mowing grass, weeds and hay to grinding leaves and removing snow, from cutting brush to felling trees.

Phone or call us for a demonstration of the Bolens Power-Ho with Versa-Matic Drive. Let us show you what it can do in your own garden or field. See for yourself why getting a Bolens is an investment instead of a purchase.

SNO-CASTER MODEL F505 ATTACHMENT

Clears 25" swath in deep, wet or packed snow, quickly, easily. One of the many Bolens labor saving attachments.

REEL TYPE LAWN MOWER ATTACHMENT—MODEL F402

Five blades; adjustable cutter bar. Can easily mow up to 3/4 acre per hour. Makes grass cutting a pleasure. Another of the Bolens 111 attachments.
